PARTNERS for DEMOCRACY

EMPOWERING HAWAI'I'S FUTURE CIVIC LEADERS

Partners for Democracy is a civic leadership program sponsored by Pacific Resource Partnership. We offer best-in-class learning experiences that teaches current and emerging Hawai'i civic leaders the art of deploying and executing successful political and public policy advocacy campaigns.

Our first cohort graduated from the program in the spring of 2022 and our second cohort will be graduating in 2024.

Cohort III will begin in spring 2024. Interested parties should apply by scanning the QR code, visiting our website at www.partnersfordemocracyhi.com or emailing hello@partnersfordemocracyhi.com for more information.

2024 Hawaii Directory of Public Officials

Cover Concept.

With Maui's recovery still weighing heavy on Hawaii's collective consciousness, the cover of the Hawaii Directory of Public Officials reflects this sentiment.

The concept on the cover page pairs a photo of Maui's Bamboo Forest with a simple, geometric representation of rebirth and renewal. The pink represents Maui's official color.

WE ARE PLEASED TO PRESENT the 2024 Hawai'i Directory of Public Officials, a comprehensive guide to all federal, state and county elected officials. The corresponding digital app — KĀKOU — can be found for free online, making it convenient to connect with local leaders who shape public policy that affects our families' lives and livelihoods.

In this important election year, engaging with our government officials at hearings and meetings is more critical than ever as we address our communities' most pressing needs. After all, sincere engagement and active participation in the civic process is the only way progress and positive change will be made.

To this end, PRP launched Partners for Democracy in 2022, a nonpartisan civic leadership program for those with a deep interest in running for public office or creating compelling advocacy campaigns. Our second cohort, comprising 28 individuals throughout Hawai'i, seeks to contribute significantly to the improvement of our island home. Their 10-month program will conclude this March, and we are excited to have several of our members run in the upcoming 2024 election to serve in the Hawai'i State Legislature and county councils.

PRP will continue to advocate for public policies that prioritize building affordable housing and achieving a truly livable wage that supports local families. Additionally, PRP will prioritize innovative solutions that grow our economy in a sustainable way. Through Partners for Democracy, we will continue to diversify the political landscape, encourage civic engagement, and develop future leaders — all for the betterment of Hawai'i.

Our democracy is built on the power of the people. By working together and making our voices heard, we will effect change and make a positive difference for generations to come.

Information subject to change.

Current as of January 2, 2024. Download KĀKOU app (instructions on pages 6–7) for the most current contact information.

PRP recognizes the use of the 'okina (ʻ) or glottal stop, one of the eight consonants of the (modern) Hawaiian language; and the kahakō (ā) or macron. We respect the individual use of these markings for names of individuals, organizations and businesses. For this publication, diacritical markings may have been omitted to ensure consistency throughout the publication and ensure searchability in our digital version of the directory.

Mahalo to all of the participating federal, state and county government staff that have worked with us to compile this directory.

**A message from Senate President Ronald D. Kouchi and
House Speaker Scott K. Saiki**

Aloha!

AS WE CONVENE THE 32ND LEGISLATURE IN 2024, we look forward to welcoming our constituents and guests back to the Hawai'i State Capitol. This year, there is much work to be done as many Hawai'i residents are still feeling the impacts of tragedy and many more are experiencing new challenges in the face of economic uncertainties. With so much at stake for our families, friends, and neighbors, our legislative membership is focused on improving the quality of life for all our residents. We welcome the opportunities ahead to partner, collaborate, and compromise with our local communities toward this goal and invite you to engage in this process by helping us reach more informed decisions. We are all one 'ohana and it will take all of us to overcome the challenges facing Hawai'i.

The Hawai'i Directory of Public Officials, published by Pacific Resource Partnership (PRP) as a public service, is a comprehensive listing of our elected officials at the federal, state and county levels and is updated every year. In addition to this printed booklet, PRP's free KĀKOU app provides users with an electronic version of the Hawai'i Directory of Public Officials where you can search for elected officeholders from your smartphone and easily connect with them.

We're grateful to PRP for creating tools that allow Hawai'i residents and voters to be more civically engaged and encourage you to do the same by reaching out to your elected representatives.

Sincerely,

Ronald D. Kouchi
Senate President

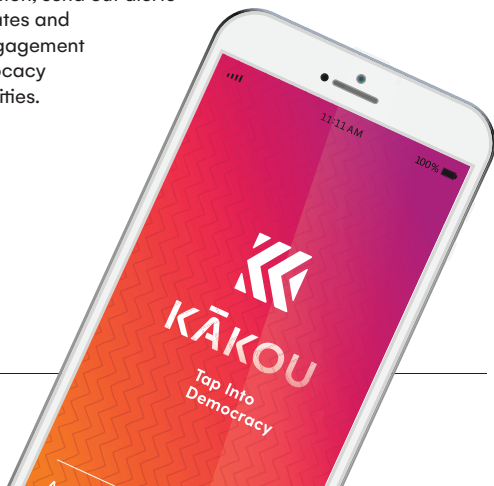

Scott K. Saiki
House Speaker

NOW MORE THAN EVER, this digital technology is so important to being a part of the legislative process.

KĀKOU is a civic engagement app that enables users to easily contact elected officials and participate in the legislative process. Developed exclusively for Hawaii by Pacific Resource Partnership, the app makes it easy for users to:

- **Easily connect** with elected federal, state and county officials
- **Weigh in** on legislative issues
- **Send e-mails** to committees
- **Track issues** and bills of importance to community partners

PRP partnered with several local non-profit organizations dedicated to supporting diverse community needs. Through KĀKOU, community partners are able to inform their members and supporters of legislation, send out alerts and updates and share engagement and advocacy opportunities.

Apple users can download the KĀKOU app from the App Store; Android users via the Google Play Store. App users have full access to the Hawaii Directory of Public Officials and can register to follow and support each partner’s advocacy efforts.

BUILDING A BETTER HAWAII takes all of us working together. PRP is grateful to our community partners for their continued commitment to increase civic engagement across the state in this ever-changing environment. When you download KĀKOU, you can learn about each of our community partners, read about their priority issues, and sign up for updates and progress made throughout the legislative session.

PACIFIC RESOURCE PARTNERSHIP

More Voices, More Choices

Ensure your voice is heard to help bring the change to make Hawai'i a better place for future generations.

We'll continue to be a voice for change and advocate for policies that uplift our community by prioritizing a living wage and building more affordable housing for our residents. As we look to build a more sustainable future for our state, we'll also support innovative solutions to fuel our economic engine, and encourage civic engagement through programs like Partners for Democracy. We are developing leaders who will make positive change for Hawai'i's future.

"People, Relationships, Promise"

We're advocates for Hawai'i — its present and future.
